Dear Ms. Salas:

On December 20, 2001, on behalf of ICO Global Communications (Holdings) Ltd., Gerry Salemme, Suzanne Hutchings, and the undersigned met with Paul Margie, legal advisor to Commissioner Michael Copps. During the course of the meeting, ICO briefed Mr. Margie on the existing record in the above-captioned proceeding, focusing on interference issues raised by some commenters, "gating" factors for the proposed ancillary terrestrial component for mobile satellite service providers ("MSS") and the circumstances under which 2 GHz MSS providers can aggregate spectrum. ICO also provided Mr. Margie with a copy of the attached presentation.

In accordance with section 1.1206(b) of the Commission's rules, I am submitting an electronic copy of this letter. If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

/s/ Cheryl A. Tritt
